**Noah Perch-Ahern of Greenberg Glusker named to Benchmark Litigation *40 & Under Hot List***

***Benchmark Litigation has recognized Noah Perch-Ahern as leading litigation attorney age 40 or under in its annual 40 & Under Hot List. Perch-Ahern is a California based litigator with Greenberg Glusker.***

The publication commemorates the most notable up-and-coming litigation attorneys in the United States. Those named to this exclusive list have proven their eligibility as individuals at the partner level of their respective firms who are age 40 or younger. They have all also had a hand in some of their firms' most noteworthy recent cases and have earned praise from clients and peers regarding the quality of their work.

Listed within the West section of the ***40 & Under Hot List*** publication, Benchmark Litigation had this to say about Perch-Ahern:

**Noah Perch-Ahern is a partner in Greenberg Glusker's environmental department focusing on environmental and energy-related litigation. He recently handled numerous CERCLA-related matters, including a multi-party contribution action and a case involving cost recovery, environmental common law and water rights claims. Perch-Ahern was also active in administrative proceedings related to air quality and natural resource issues, as well as a *writ* proceeding regarding wetlands issues and statutory jurisdiction.**

Attorneys named to the 2019 publication were chosen through several phases of research: namely, the review of their recent case work, peer review in which we consider how attorneys at peer legal institutions might rank them, and a consideration of client feedback on their performances. These attorneys, though young, have established themselves in their respective fields and are set to enjoy bright futures.

In a rapidly changing legal market in which firms seek to construct feasible succession plans for the baby boomer generation of attorneys, the recognition of the accomplishments of the younger generations is pertinent.

In addition to this honor, Greenberg Glusker also enjoys a number of firm-wide rankings and further individual attorney recognition by Benchmark Litigation. For more information please see here:
